Independent Accountant's Review Report

The Board of Directors
Varner Enterprises Inc.

I have reviewed the accompanying consolidated financial statements of Varner Enterprises Inc., which comprises the balance sheets as of February 5, 2019 (the date of inception) and for the year ended December 31, 2018, and the related consolidated statements of income, changes in stockholders' deficit, and cash flows for the periods then ended, and the related consolidated notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for our report.

Accountant's Conclusion

Based on my reviews, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

1. Business and Summary of Significant Accounting Policies

Description of Business and Basis of Presentation

Varner Enterprises Inc., (the Company) is a development stage Delaware holding corporation. As its first asset, the Company has acquired an independent record label- L2 Records LLC, a wholly owned subsidiary that works with artists in the pop, EDM, and hip-hop genres. L2 Records deals with the end-to end management of music entertainment projects by adopting multimedia to produce, manage, promote and distribute music entertainment content.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. Intercompany accounts and transactions have been eliminated in consolidation.

Use of estimates:

The preparation of financial statements is in conformity with the accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Property and Equipment, Net

Property and equipment are recorded at cost. Depreciation is computed using a straight-line mid-month convention method over the estimated useful lives of the assets, which for furniture and fixtures, auto and most computer equipment ranges primarily from three to seven years.

Repairs and maintenance performed on equipment or software are expensed as incurred.

Cash and Cash Equivalents

Cash equivalents consist primarily of short-term investments in overnight money market funds.
